1.0 INTRODUCTION

1.1 Annual Report to Parliament

This is the ninth report which has been prepared under section 108 (Report to Legislative Assembly by Agencies and Ministers) of the *Freedom of Information Act 1992* (FOI Act) since the commencement of the Act. Under section 108 of the FOI Act, agencies are required to collate statistical data for the preparation of the annual report. Section 108 also requires the Minister administering the Act, the Honourable the Attorney-General and Minister for Justice, to prepare the annual report and table it in the Legislative Assembly.

1.2 Review by Legal, Constitutional and Administrative Review Committee

In December 2001 the Legal, Constitutional and Administrative Review Committee (LCARC) tabled a report on "Freedom of Information in Queensland" (Report No. 32) in the Queensland Legislative Assembly. The report includes 221 recommendations identified by LCARC with commentary on suggested ways in which the recommendations could be effected.

Details regarding the final report and other relevant documents, such as a summary of findings, terms of reference and discussion papers, can be accessed on the Queensland Parliament Website at:-

- <http://www.parliament.qld.gov.au/Committees/LCARC/LCARCFOIInquiry.htm>

The Government is currently preparing a response to the final report.

1.3 Amendments to Freedom of Information Legislation

On 23 November 2001 amendments to the FOI Act and the *Freedom of Information Regulation 1992* (FOI Regulation) commenced operation.

These amendments encompassed three broad objectives:

1. To enhance the capacity of agencies to deal with widely defined and voluminous applications;
2. The imposition of processing charges on non-personal documents; and
3. A waiver of processing charges on the grounds of financial hardship.

Training in the application of these new amendments, with regional and metropolitan workshops is being conducted by officers from the Department of Justice and Attorney-General and Crown Law.

2.0 SUBSECTION 108(4) STATISTICAL DATA / ADMINISTRATIVE ACTIVITIES

2.1 Subsection 108(4)(a) – Number of applications

Information detailing the number of applications made to each agency and to each Minister is contained in the following appendices:

- Appendix 1.1 (Number of Access Applications - State Government)
- Appendix 1.2 (Number of Access Applications - Local Government)
- Appendix 1.5 (Types of FOI Applications - State Government)
- Appendix 1.6 (Types of FOI Applications - Local Government).

2.1.1 Overview of Statistics

During the 2000-2001 reporting period, 10,558 applications (5,436 personal and 5,122 non-personal) were received in relation to requests for access to documents. State Government agencies received 9,424 applications (5,283 personal and 4,141 non-personal) with Local Government agencies accounting for 1,134 applications (153 personal and 981 non-personal).

The total number of applications represents an increase of 1.1% (114 applications) when compared to the total number of applications received in the previous year.

Figure 1 below provides a comparison of the number of applications received during the operation of the Act.

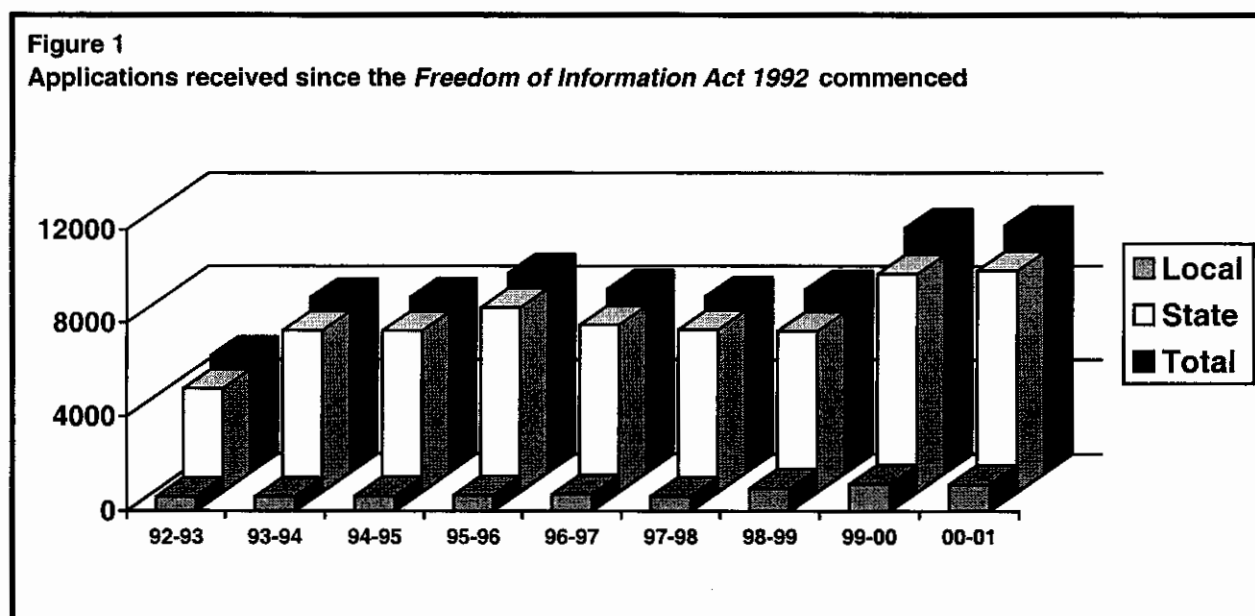

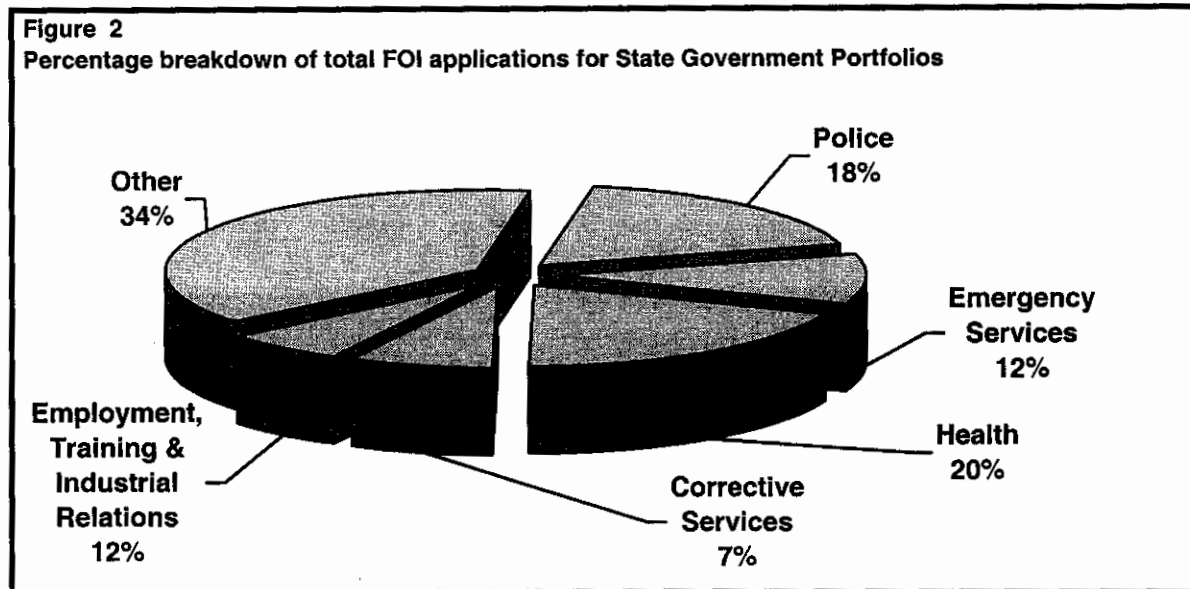

Figure 2 demonstrates that the Health portfolio received the largest number of FOI applications for 2000-2001. Substantial increases in the number of applications received were experienced by Tourism, Racing and Fair Trading (132.7%), Public Works and Housing (101%) and Natural Resources and Mines (72.7%).

The “Other” category in Figure 2 includes the remaining State Government Portfolios not listed below.

2.2 Subsection 108(4)(b) – Decisions not to give access

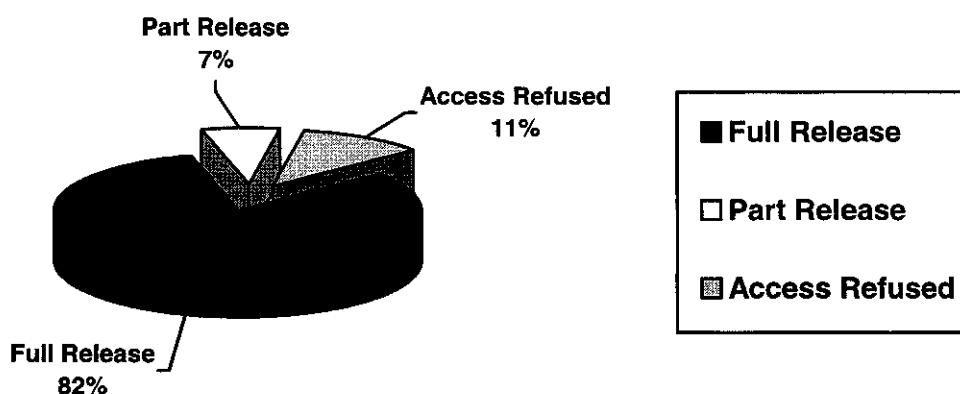

Information detailing the number of decisions not to give access to a document, including the provisions of the Act under which the matter was classified as exempt and the number of times each provision was invoked, is contained in:

- Appendix 1.7 (Action taken on documents - State Government)
- Appendix 1.8 (Action taken on documents - Local Government).

2.2.1 Action taken on documents considered

Documents sought under Freedom of Information can be released in full, in part or withheld from release. Figure 3 indicates the actions taken with respect to these release categories on documents considered by State Government agencies and Ministers during 2000-2001.

Figure 3
Actions on documents taken by State Government agencies and Ministers during 2000-2001

2.3 Subsection 108(4)(c) – Name and designation of decision maker etc

Information required under paragraph (c) of subsection 108(4) is contained in:

- Appendix 1.7 (Action taken on documents - State Government)
- Appendix 1.8 (Action taken on documents - Local Government).

2.4 Subsection 108(4)(d) – Internal review applications under sections 52 and 60

Information required under paragraph (d) of subsection 108(4) is contained in:

- Appendix 1.9 (Internal review decisions - State Government)
- Appendix 1.10 (Internal review decisions - Local Government).

2.5 Subsection 108(4)(e) – Applications for review by Information Commissioner

At the beginning of the 2000-2001 financial year, 182 requests for external review were brought forward from 1999-2000 for consideration by the Information Commissioner.

A further 376 requests for external review were received by the Information Commissioner during 2000-2001. A total of 396 applications were completed during the reporting period and 162 applications were carried forward into the 2001-2002 financial period for consideration.

The nature of requests for external review during 2000-2001 were as follows:

• Refusal to grant access	120
• Deemed refusal to grant access	105
• No jurisdiction or misconceived application	48
• Deletion of exempt matter	31
• Third party objecting to the disclosure	25
• Combination of refusal to grant access and deletion of exempt matter	18
• Deemed refusal to amend	14
• Charges	8
• Refusal to amend records	5
• Combination of refusal to grant access and charges	2
Total: 376	

Access is available to formal decisions of the Information Commissioner through the Information Commissioner's website located at www.slq.qld.gov.au/infocomm. These decisions are readily available to the general community and other interested agencies, and accordingly are not included in this report. The Information Commissioner's Annual Report for 2000-2001 contains a summary of all decisions made during 2000-2001 and can also be accessed via the Commissioner's website.

2.6 Subsection 108(4)(f) – Statement of Affairs and notices received

The FOI Act requires each agency to publish annually a "Statement of Affairs" outlining its structure and functions and related information. Provision is made under subsection 20(1) of the Act for members of the public to serve a notice on any agency, as specified in the Act, if their Statement of Affairs does not comply with the requirements, or if the Statement was not published at all. During 2000-2001, there were no notices received by agencies regarding subsection 20(1) of the Act.

2.7 Subsection 108(4)(g) – Disciplinary action

There were no instances of disciplinary action in relation to the administration of the FOI Act reported by agencies.

2.8 Subsection 108(4)(h) – Charges collected by agencies

Information detailing the amount of charges collected for the reporting period is contained in:

- Appendix 1.11 (Fees and Charges - State Government)
- Appendix 1.12 (Fees and Charges - Local Government).

2.9 Subsection 108(4)(i) - Reading room and other access facilities

A large majority of agencies have indicated that either a designated reading room or a conference area is available for applicants and members of the community to inspect relevant documentation.

2.10 Subsection 108(4)(j) – Other efforts to implement and administer the FOI Act

2.10.1 Training

Awareness discussions and formal training sessions have been undertaken by a large proportion of agencies during 2000-2001. An example of these sessions was evidenced through Queensland Health's "health specific" FOI training sessions for decision-makers and back up decision-makers for the Health Service Districts and health agencies during 2000-2001.

Many departments are including FOI awareness topics in their respective induction courses, allowing new employees to become familiar with FOI issues and processes from an early stage.

Regional and metropolitan workshops on the operation of the FOI Act and new amendments have been conducted by officers from the Department of Justice and Attorney-General and Crown Law.

2.10.2 FOI Access and awareness

A large increase in the usage of the Internet through extensive departmental websites, incorporating links to other relevant websites, has been displayed and implemented throughout 2000-2001. Through this electronic medium, updates and additional information releases have been effected, ensuring an increased understanding and greater access to FOI related material.

Most agencies, including the Department of Justice and Attorney-General, are promoting awareness of FOI through their websites.

2.10.3 Administrative access

Generally, most agencies and departments promoted and developed administrative release schemes where able, with some agencies establishing an Administrative Release Team within their FOI Branch. These teams facilitate access to documents outside the FOI process. This improved client service ensures timely access to documents.

2.10.4 Electronic processing

The Department of Primary Industries (DPI) utilises its e-mail network to process FOI applications. Applications are received by e-mail with correspondence also provided by this method. DPI is also developing an electronic method for payment of FOI fees and charges.

Other agencies are also moving towards a paperless FOI process. This is a cost-effective process in which physical files and relevant correspondence are stored electronically thereby reducing the reliance on paper copies of documents.

2.10.5 FOIonLine

The Department of Justice and Attorney-General has developed new database software for recording FOI statistics (called FOIonLine). This new software is user-friendly, will assist in producing the section 108 report and accommodates the recent amendments to the FOI Act and Regulation.

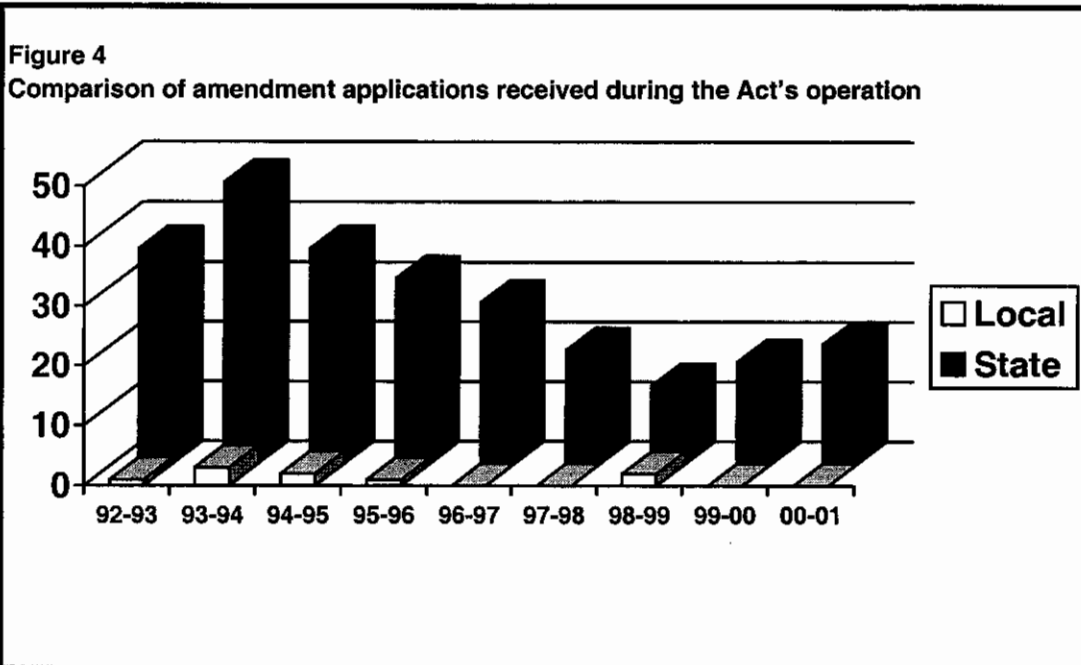

This new software has been adopted by the Department of Justice and Attorney-General and all agencies will be invited to use this web-based system.

3.0 ADDITIONAL DATA

3.1 Number of amendment applications

Ten agencies shared the 20 applications for amendment received for 2000-2001 representing an increase of 18% on the 1999-2000 total of 17.

Figure 4 below shows the yearly trend comparisons since 1992-93.

APPENDICES

The following appendices detail the statistical data on which this report is based.

The appendices include information required under subsections 108(4)(a), (b), (c), (d), (f), (g) and (h) of the Act:

- the number of applications made to each agency and each Minister;
- the number of decisions not to give access to a document;
- the name and designation of each officer with authority to make a decision in relation to an application, and the number of decisions made by each officer to which an applicant was not entitled access to a document pursuant to an application;
- the number of applications under sections 52 and 60 (Internal Review) of the FOI Act for review of a decision and relevant details; and
- the amount of charges collected by the agency or Minister.

In addition, statistical data regarding the number of amendment applications and the various types of FOI applications are included in the appendices.

**APPENDIX 1
STATISTICAL DATA**

The information contained in the following tables has been collected and supplied by agencies. Care has been taken to confirm the accuracy of data and to ensure that relevant agencies were consulted before the finalisation of this report.

Within Appendices 1.5 and 1.6, which refer to the types of applications received, the total number of applications received does not include applications brought forward from the previous year or applications withdrawn, transferred or lapsed.

It should be noted that within appendices 1.7 and 1.8, differing methodologies have been used by agencies in calculating statistics. e.g. in some instances departments may consider a six page letter to be one document whilst other departments will record this as six documents.
